

Soup'R Bowl XIV Soup Contest 2023

Details

The Soup'R Bowl event invites our community to taste and judge soups from local kitchens in specific categories for a donation of \$20 per person. Each guest will be given color-coded tabs to vote for their favorite soups. If they love your soup they will drop their category- colored tab at your station. A runner will be collecting the tabs and tallying scores. For every five votes a restaurant receives a football representing their restaurant and will move one space down the field. Winners will be announced once tabs have all been collected and tallied. We're expecting a high-energy atmosphere with an MC talking about each restaurant; tasting their soup, talking about the soup, and the progress its making.

The Soup'r Bowl event is to raise funds for a local charity while enabling local eateries to compete for the title of best soup. This event is being organized by ***Alaska Hospitality Retailers*** the charity is the Anchorage Hospitality Foundation, which facilitates transitional services for the people in our community wanting a life without chemical dependency. Your time and product contribution to this event is 100% tax deductible. This year the fundraiser will be held at ***907 Alehouse (8001 Old Seward Hwy.)
